**MEDIA BUREAU RECEIVES REQUEST BY ANALOG TELEVISION STATION IN
THE LOWER 700 MHZ BAND TO CEASE ANALOG BROADCASTING,
SURRENDER NTSC LICENSE, AND OPERATE AS A SINGLE CHANNEL,
DIGITAL-ONLY TELEVISION STATION**

In its Report and Order in GN Docket No. 01-74, the Commission adopted the reallocation of the 598-746 MHz Spectrum Band (television channels 52-59) from use by television broadcasters to new uses on a flexible basis.¹ The Commission also stated that it would consider requests by incumbent broadcasters on channels 52-58 to voluntarily vacate their NTSC channels prior to the end of the DTV transition on a case-by-case basis.²

The Media Bureau has received a request from KJLA, LLC, the licensee of analog television station KJLA(TV), NTSC Channel 57, Ventura, California, and permittee of digital television station KJLA-DT, DTV Channel 49, Ventura, California,³ for Commission authority to: (i) cease analog broadcasting on NTSC Channel 57 and surrender its license for the channel prior to the end of the DTV transition; and (ii) thereafter operate KJLA-DT as a single channel, digital-only television station on DTV Channel 49. This request is available for inspection at the Commission's Reference Center, 445 Twelfth Street, S.W., Room CY-A257, Washington, D.C. 20554.

For further information, contact Shaun Maher of the Media Bureau, Video Division at (202) 418-2324.

By: Chief, Media Bureau
